Westchester Cardiovascular Symposium

Acute Coronary Syndromes, Heart Failure, Valvular Heart Disease, Cardiac Electrophysiology

Friday, September 30 and Saturday, October 1
Westchester Hilton Hotel
Rye Brook, NY

Course Directors
Julio A. Panza, MD
Chief of Cardiology
Westchester Medical Center
Professor of Medicine
New York Medical College

Steven Lansman, MD, PhD
Chief of Cardiothoracic Surgery
Westchester Medical Center
Professor of Surgery
New York Medical College
## Guest Faculty continued

<th>Title and Affiliation</th>
</tr>
</thead>
<tbody>
<tr>
<td>Howard C. Herrmann, MD, FACC, MSCAI</td>
<td>Professor of Medicine and Surgery, Perelman School of Medicine, University of Pennsylvania</td>
</tr>
<tr>
<td>Evelyn Horn, MD</td>
<td>Director of Heart Failure and Pulmonary Hypertension, Perkin Heart Failure Center, Weill Cornell Medical Center</td>
</tr>
<tr>
<td>Hasan Jilaihawi, MD</td>
<td>Director, Interventional Cardiology Imaging, Cedars-Sinai Heart Institute</td>
</tr>
<tr>
<td>Laura Mauri, MD, MSc</td>
<td>Professor of Medicine, Brigham and Women’s Hospital, Harvard Medical School</td>
</tr>
<tr>
<td>Venu Menon, MD</td>
<td>Director, Coronary Care Unit, Professor of Medicine, Cleveland Clinic Lerner College of Medicine</td>
</tr>
<tr>
<td>James A. Reiffel, MD, FACC, FAHA, FHR, FACP</td>
<td>Professor Emeritus of Medicine, Columbia University, New York Presbyterian Hospital</td>
</tr>
<tr>
<td>Jason T. Jacobson, MD, FACC</td>
<td>Director, Complex Arrhythmia Ablation Program</td>
</tr>
<tr>
<td>David Spielvogel, MD</td>
<td>Professor, Associate Chief Cardiothoracic Surgery, Director, Heart Transplant and Mechanical Circulatory Support</td>
</tr>
<tr>
<td>Petra Rocic, PhD</td>
<td>Associate Professor of Pharmacology, New York Medical College</td>
</tr>
<tr>
<td>Joseph Rogers, MD, FACC</td>
<td>Professor of Medicine, Duke University School of Medicine</td>
</tr>
<tr>
<td>Craig Selzman, MD, FACS</td>
<td>Professor of Surgery, Chief, Division of Cardiothoracic Surgery, University of Utah School of Medicine</td>
</tr>
<tr>
<td>Wilson Szeto, MD</td>
<td>Associate Professor of Surgery, Cardiovascular Surgery, Perelman School of Medicine, University of Pennsylvania</td>
</tr>
<tr>
<td>Albert L. Waldo, MD, PhD</td>
<td>The Walter H. Pritchard Professor of Cardiology, Professor of Medicine and Biomedical Engineering, Case Western Reserve University</td>
</tr>
<tr>
<td>Ilan Wittstein, MD</td>
<td>Director, Johns Hopkins Cardiology International Division of Cardiology, Johns Hopkins University School of Medicine</td>
</tr>

Agenda  Saturday, October 1, 2016

7 - 7:45 a.m.  Breakfast & Registration

7:45 - 8 a.m.  Introduction

8 - 8:15 a.m.  The Changing Landscape of Valve Disease in the 21st Century

Julio A. Panza, MD

8:15 - 8:30 a.m.  Deciphering the Latest Valve Guidelines: Top 5 Controversies

Robert Bonow, MD

8:30 - 8:45 a.m.  Bicuspid Aortic Valve and Aortopathy

David Spielvogel, MD

8:45 - 9 a.m.  Degenerative vs. Functional Mitral Regurgitation: A Tale of Two Leaks

Maurice Enriquez-Sarano, MD

9 - 9:15 a.m.  Networking Break, Exhibit Viewing

9:15 - 9:45 a.m.  TAVR in 2017: Looking Back, Looking Forward

Hasan Jilaihawi, MD

10 - 10:15 a.m.  Is Transcatheter Valve-in-valve for Everybody? - What Prosthesis-patient Mismatch Tells Us

Philippe Pibarot, MD

10:15 - 10:30 a.m.  Is TAVR is Nw Ready for Low Risk Patients?

Howard Herrmann, MD

10:30 - 10:45 a.m.  Challenging Transcatheter Valve Cases

Gilbert Tang, MD

10:45 - 11 a.m.  Transcatheter Mitral Valve Replacement: Ready for Prime Time?

Wilson Szeto, MD

11 - 11:15 a.m.  Will Transcatheter Mitral Valve Repair Replace Open Surgery in 2020?

Gorav Ailawadi, MD

11:15 - 11:30 a.m.  Panel Discussion

Keynote Address

11:30 - 12:15 p.m  Valentin Fuster, MD

Introduction by Steven Lansman, MD

12:15 - 1 p.m.  Lunch, Exhibit Viewing

---

Agenda  Friday, September 30, 2016

7 - 7:45 a.m.  Breakfast & Registration

7:45 - 8 a.m.  Welcome Remarks

Julio A. Panza, MD, Steven Lansman, MD

Acute Coronary Syndromes  Moderator: Howard Cooper, MD

8 - 8:30 a.m.  Takotsubo Cardiomyopathy

Ilan Wittstein, MD

8:30 - 9 a.m.  AMI Complicated by Cardiogenic Shock: IABP, pVAD, & ECMO

Evelyn Horn, MD

9 - 9:30 a.m.  Mechanical Complications of AMI

Venu Menon, MD

9:30 - 10 a.m.  Case Presentation and Discussion

Networking Break, Exhibit Viewing

10:15 - 10:45 a.m.  Is There Still a Role for Fibrinolytics in STEMI?

Harold Dauerman, MD

10:45 - 11:15 a.m.  Culprit vs. Complete Revascularization in STEMI

Laura Mauri, MD

11:15 - 11:45 a.m.  Duration of DAPT After PCI in ACS

Deepak Bhatt, MD

11:45 a.m. - 12:15 p.m  Case Presentation and Discussion

Lunch, Exhibit Viewing

State of the Art in Cardiac Failure  Moderator: Alan Gass, MD

1:15 - 1:20 p.m  Introduction

1:20 - 1:45 p.m  Medical Therapy for HFrEF: Why Doesn’t It Last Forever?

Paul Hauptman, MD

1:45 - 2:10 p.m  Innovative Strategies for the Refractory HFrEF Patient

Daniel Burkhoff, MD, PhD

2:10 - 2:35 p.m  Myocardial Adaptations and Pathways to Prevent Cardiac Failure

Petra Rocic, PhD

2:35 - 3:00 p.m  Myocardial Recovery: Bench to Bedside

Craig Selzman, MD

Networking Break, Exhibit Viewing

3:15 - 3:40 p.m  Pulmonary Hypertension and the Right Ventricle: Insights & Options

Harrison Farber, MD

3:40 - 4:05 p.m  Perpartum Cardiomyopathy: Latest Perspectives

Uri Elkayam, MD

4:05 - 4:30 p.m  Mechanical Circulatory Support: Why Can’t We Get It Right?

Joseph Rogers, MD

Networking Break, Exhibit Viewing  Cardiac Electrophysiology  Moderator: Sei Iwai, MD

1 - 1:05 p.m  Introduction

1:05 - 1:25 p.m  Antiarrhythmic Therapy: Still Part of AF Management?

James Reiffel, MD

1:25 - 1:45 p.m  Approach to Ablation of Persistent Atrial Fibrillation

Steven Hao, MD

1:45 - 2:05 p.m  Rate Control in AF

Albert Wald, MD

2:05 - 2:25 p.m  Should my Patient be Switched from Warfarin to a NOAC?

Robert Giugliano, MD

2:25 - 2:55 p.m  Clinical Case Discussion

Martin Cohen, MD

Networking Break, Exhibit Viewing

3:10 - 3:30 p.m  Current Targets in VT Ablation in Structural Heart Disease

Jason Jacobson, MD

3:30 - 3:50 p.m  Scar Imaging in VT

Timm-Michael Dickfeld, MD

3:50 - 4:10 p.m  Arrhythmia-Induced Cardiomyopathies

Brian Olshansky, MD

4:10 - 4:30 p.m  Outflow Tract VT and its Variants

Sei Iwai, MD

4:30 - 4:35 pm  Closing Remarks

Julio A. Panza, MD, Steven Lansman, MD
The Westchester Cardiovascular Symposium is a 2-day conference that will address current, controversial, and challenging issues in the fields of Acute Coronary Syndromes, Heart Failure, Valvular Heart Disease, and Cardiac Electrophysiology. This update includes a review of clinical guidelines, disease condition and natural history, diagnostic modalities, current treatment and future therapies pertaining to the field. Attendees will be able to broaden their understanding of disease processes, patient screening and evaluation, diagnostic workup and treatment advances in the field. The faculty consists of leading experts in the field of cardiovascular medicine. Presentations are made in both didactic and interactive fashions, including live debates and case discussions.

The symposium provides an annual opportunity for health professionals to update their knowledge and clinical practice of acute coronary syndromes, heart failure, valvular heart disease, cardiac arrhythmias, and cardiac electrophysiology. Topics include the latest clinical guidelines, echo and CT imaging, surgical and catheter-based treatment, and future technologies.

Learning Objectives

The Symposium has two primary objectives: to provide an educational platform on acute coronary syndromes, heart failure, valvular heart disease, cardiac arrhythmias, and cardiac electrophysiology in a comprehensive program that includes interactive discussions and case presentations offered by experts in the field, and to provide an opportunity for health professionals in the New York Hudson Valley region to network and exchange ideas on patient management and clinical practice. Upon completion of the CME activity, participants will be able to:

- Understand the clinical impact of valvular heart disease, diagnostic and management strategies, and the latest developments in surgical and transcatheter treatment approaches.
- Recognize the current techniques for mapping and imaging and the role of ablation therapy in the treatment of cardiac arrhythmias, including atrial fibrillation and ventricular tachycardia, and the importance of patient selection for the best implementation of this therapy.
- Define the current understanding of the benefits and risks of antiarrhythmic therapy and anticoagulation in the management of patients with atrial fibrillation

Target Audience

This educational program is designed for physicians including cardiovascular specialists, internists, primary care practitioners, nurses, physician assistants, technicians and other health professionals involved in the evaluation, diagnosis and management of patients with acute coronary syndromes, heart failure, valvular heart disease, and cardiac arrhythmias.

CME Accreditation Statement

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Medical Society of the State of New York (MSSNY) through the joint sponsorship of the Westchester Academy of Medicine and Westchester Medical Center. The Westchester Academy of Medicine is accredited by the Medical Society of New York (MSSNY) to provide Continuing Medical Education for physicians.

The Westchester Academy of Medicine designates this live activity for a maximum of 14 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CEU Accreditation Statement

This activity has been submitted to the Delaware Nurses Association for approval to award contact hours. Delaware Nurses Association is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.
Westchester Cardiovascular Symposium 2016

Acute Coronary Syndromes, Heart Failure, Valvular Heart Disease, Cardiac Electrophysiology

Friday, September 30 and Saturday, October 1
Westchester Hilton Hotel
Rye Brook, NY
Registration Deadline: Friday, September 16, 2016

For information or questions please contact Edward Warren at edward.warren@wmchealth.org or 914.493.5936

CME/CEU Credits:
14 CME Credits applied for/CEU credits will be available
