

Academic Advanced Heart Failure Cardiology Opportunity in Rochester NY

The University of Rochester Medical Center is seeking to employ one or more BE/BC Non-Invasive cardiologists with subspecialty training in Advanced Heart Failure. The successful candidate will join a team of 7 Advanced Heart Failure Cardiologists and 3 Transplant Cardiac Surgeons in a busy academic medical center. The University of Rochester is a quaternary referral medical center with referrals from across the broad region of New York State with a state-of-the-art advanced imaging and intensive care unit facilities that are supported by 4 catheterization labs and 3 EP labs. The position may also involve outreach travel to satellite offices. These positions offer protected time for teaching and research.

URMC Cardiac Care Advanced Heart Failure Program is a robust, multi-disciplinary heart failure program that has been a national leader and innovator in minimally invasive ventricular assist device implantation. There has been a fully accredited heart transplant program at URMC for several decades which has performed over 250 heart transplants since its inception. The program has a newly created dedicated 22 bed ICU fully staffed with a team of 7 cardiac critical care intensivists and 20 advance practice practitioners.

There are positions available for experienced and recently trained heart failure cardiologists. We are seeking physicians with strong core values, interest in research and passion for teaching.

Requirements:

MD from an accredited university medical school.

Board eligible or board certified in cardiology and fellowship in Advanced Heart Failure

Ability to obtain a New York State medical license

Current DEA certification

Ability to achieve full and unrestricted hospital privileges at Strong Memorial Hospital

The U of R is located in Rochester, New York and is surrounded by world class culture, affordable housing and nationally ranked public schools. The City of Rochester is a mecca for the arts: home to a philharmonic orchestra, wonderful museums including the Strong National Museum of Play, internationally recognized dance companies as well as The Eastman School of Music. The Rochester International Jazz Festival is one of the top 10 Jazz festivals in the nation. The region boasts access to great watersports both on Lake Ontario as well as the Finger Lakes. The Finger Lakes region is also home to many internationally known wineries. Rochester has a rich history and was the last step on the underground railroad and the place Frederick Douglas called home. It is also the location of the Susan B. Anthony House making Rochester the epicenter of the woman's suffrage movement.

Interested individuals should contact Dr. Leway Chen
